

# Reception Newsletter Autumn 1 2023

## All about Me!

Welcome to Reception!

We hope you and your children have had a great summer and are looking forward to a great year ahead.

Our topic for the half term is "All about me". Attached is a curriculum map and vocabulary list for this topic. This shows what we will be learning during the first half term at school. The children will always have access to the 7 areas of learning as part of our continuous provision. Providing you with the curriculum map gives you the opportunity to carry on related learning opportunities at home, making that vital link between home and school.

### Clothing

Please make sure all your child's belongings are named. If they misplace their belongings, we can find them much easier if they are named.

On PE days, children will need to wear their PE uniform to school. Please make sure all items are named and any **earrings are removed**.

RTA - Wednesday

RD - Thursday

RM - Friday

As the weather becomes colder and wetter, please make sure your child brings a coat to school. We will be using our outdoor learning area throughout the day they will need to keep warm and dry whilst learning. Thank you!

### Tricky Words

On Thursday 28<sup>th</sup> September we will also begin sending home tricky words, in a plastic bag inside their reading record, these will be linked to the words we are learning in phonics lessons. Please practice recognising these and spelling them.

### Reading Record and Book

Reading books and records will be handed out on Thursday 28<sup>th</sup> September. These books will be linked to the phonics we are teaching in class. This is an opportunity for them to get used to turning the pages, making a story up from the pictures, and recognising letters and words they have learnt during phonics. We are not expecting all children to be reading these independently straight away! Praise them for finding the letters they know or using the pictures to come up with a story plot of their own. Your feedback is essential and we really appreciate your written comments in the yellow reading record.

### Week beginning 18<sup>th</sup> September – Baby Photos

During this week we will be learning about changes and stages of growth. Could you please bring in a baby photo of your child, these will be photocopied and returned.

We are looking forward to building a positive relationship between you and your family.

Thank you

Reception Team

# Reception Autumn 1 2023

## Curriculum Map

### LITERACY

- I will be learning to recognise and write my name
- I will be learning different sounds that letters make (phonics sessions)
- I will be learning to write familiar words such as mum and dad
- I will be talking about my family
