

## RIVERBRIDGE REVIEW

**Autumn Term** 

Week 5

6<sup>th</sup> October 2023

As I type this, we have received news that the children and staff on the Year 6 Bristol residential trip are on their way home. I have enjoyed hearing the updates and seeing some of the pictures on Facebook. I am sure that the children that have been away will have created some great memories, learned some new facts and perhaps developed their resilience, too. School residentials are a useful opportunity to enrich the children's time at school and they can only happen if staff are willing to take the children away and sacrifice some sleep as well. I am grateful to all the staff for their commitment and Mrs King in particularly for leading the trip so successfully. Thank you!

**Art Workshop** 

Year 6 in The Grove

Wraparound Care's autumnal wreaths

School residentials are not for every child – for a variety of reasons. We always aim to ensure that the remaining children are also having some memorable experiences whilst learning new skills and demonstrating new talents. On Wednesday I had the pleasure of teaching the Year 6 children and helping them to create a clay model to go alongside the story they were reading. I was very impressed with their perseverance and also the ways in which they supported and encouraged each other. I can safely say that there are some very talented artists within the Year 6 cohort! Sculptors in the making perhaps!

I am aware that all parents have been informed of the disruption to traffic around the new leisure centre at KGB. We will continue to share any concerns you raise with the school with Spelthorne Council, but do not have any influence around the decisions being made. I would ask all parents that are finding the traffic heavier or the journey to school slower that normal, to plan for an earlier departure from home!

Tomorrow is the PTA 'Welcome Back' party. The weather looks like being very kind and I am certain that a great time will be had. I thank the PTA for arranging this event and also say a big 'thank you' to all those parents that are volunteering – especially those doing so for the first time. I look forward to seeing many of you there.

Finally – a correction! Last week I failed to say thank you to a member of staff that left Riverbridge. Mrs Ridolfi has moved to a school more local to her and we are missing her input already. We wish her well!

As part of our school wide Harvest Festival next week, we will be taking a collection for Manna Food Bank. Please can children bring donations of non-perishable food items to class by Friday 14<sup>th</sup> October. On the Manna Food Bank website they have indicated that the following items are most needed: tinned Spaghetti, long life juice cartons, instant noodles for 1 and shampoo. A more comprehensive list can be found here: <a href="https://www.mannafoodbank.co.uk/latest\_shortages">https://www.mannafoodbank.co.uk/latest\_shortages</a>, however any and all donations are much appreciated! Thank you.

Learning Year 6

This week has been an exciting one for the Year 6 children who went to Bristol as well as for those who remained at school. Those in Riverbridge enjoyed lively debates, designed and built shelters in the Grove (shown above), made clay models and designed placards after learning about protests.

Art Year 5 & 6

On Monday, several Year 5 and 6 artists had the opportunity to attend a workshop with the talented local artist, Saroj. The children had a fruitful discussion about the future of Staines. They expressed their desires to welcome wildlife and have exciting modes of transport in the town. In Spring 2024, Saroj will be painting a magnificent mural under the railway bridge on Laleham Road. The inspirational designs created by the children during the workshop will serve as a guide for Saroj's artwork.
