

RIVERBRIDGE REVIEW

Autumn Term

Week 6

13th October 2023

Next week is an important week for parents and carers as we are hosting the first consultation meetings of the year. These are essential meetings and will help to give all parents and carers an idea of how children have settled over the course of the half term and an indication of the progress the children are making with their learning. These meetings will hopefully help all adults work together to support the children in being their best with their learning. I hope that everyone has secured a slot and I look forward to seeing you at these meetings next week.

Also shared with you next week will be the annual parent survey where you will be able to give your views about the school, its provision and voice any comments that you would like to make. Please look out for this email.

2G enjoying their story this week

Building a dominoes fortress at ASC

2S collaborated for Feel Good Week

This week, we have been reflecting on everything we have to be thankful for. The annual Harvest Festival activities that take place are a good way to show compassion and consideration towards others. Children have enjoyed singing harvest songs, decorating their classroom doors and listening to assemblies that have hopefully made them think. Thank you to everyone that has donated food items in the past few days. We will share these with Manna – the local food bank next week. These are challenging economic times and we appreciate everything you have given.

Continuing the theme of being thankful – last Saturday's Welcome Back Party organised by the PTA was a real triumph. Everyone who attended appeared to have a great time and there were loads of volunteers from the community to make this event a success. Thank you to everyone that made this possible, thank you to all who attended and a special thank you to Tajinder and Gurcharan for whom this was their last event as co-chairs.

From 'good bye' to 'hello': this week we welcomed Miss Neal to the team and she is settling in well within the Reception team. Last week we also said hello to Mr Blasigh, our new site manager. He is already making a positive impression and enjoying making a difference to the school on both bases. Welcome to them both.

During this term, the children in Year 1 will learn about toys of the past and how these compare to their own modern-day toys. As part of this history unit, a historian from Chertsey Museum will be coming into school to run a workshop with the children and will show them toys that are over 100 years old.

SEND Handbook for Parents and Carers

SEND

To help increase awareness of the support and services available for children with Additional Needs and Disabilities, Surrey County Council and the AND Partnership have produced a new handbook for parents and carers. The guide, which can be downloaded or requested in hard copy, is a helpful source of all the SEND support and services in Surrey. It clearly sets out the different routes to support, with the aim of helping families access the right support at the right time for their child. <https://www.surreylocaloffer.org.uk/parents-and-carers/help-and-support/and-guide>

Harvest Festival

Whole School

Thank you to all who generously donated to our food collection for Manna Food Bank as part of our Harvest Festival. Your generosity is much appreciated! In class, children were learning the connection between harvest and generosity. They displayed their learning by decorating a door in their Year Group. The newly elected Head Prefects helped judge the harvest door decorating competition. Congratulations to Year 1 (left) and Year 3 (right) who won in their respective Key Stage competitions. The children are looking forward to their special green time as their reward!

MacMillan Coffee Morning

Whole School

Thank you to all of those who kindly donated cakes and came along to our MacMillan Coffee Morning. It was lovely to see so many of you. Thanks to all who donated - we managed to send an amazing £100 to the charity which they are sure to put to very good use.

Club4 programme

Whole School

If your child is eligible for FSM they may also be eligible for an exclusive place on the Club4 programme. For the main school holidays, all eligible children at school in Surrey have the chance to secure a free place at one of over 100 day camps running across the County. Some camps are commercially run and open to all, while others are exclusive to Club4 families. Dates and timings vary but all camps offer a mix of enriching activities such as arts and crafts alongside physical activity games to keep young people safe, entertained and active. All Club4 camps will provide eligible children with one or more quality meals. Alongside camp places, there are also resources, activities and ideas to keep the children busy and active available online at <https://www.activesurrey.com/community/club4/parents>

Space Talk

Year 5

Year 5 took part in a Space workshop as part of World Space Week. The children listened to STEM ambassador Katherine, a former Chief Executive of the UK Space Agency talk about why she cares so much for space. She explained how agencies around the world are ensuring that, much like our natural environment, the space environment is protected from damage such as space junk. Katherine shared her wealth of knowledge about what is new in space; including things like asteroid mines and Solar Power plants that are orbiting Earth.

Feel Good Week

Whole School

This week, we have been celebrating Feeling Good Week 2023. This year, the theme is 'I can ... so we can ...'. Across the school, we have been learning teamwork skills and have been practicing using our individual skills and talents to complete a group goal - Year 2 worked together to successfully build towers and learnt how each person in the group is important, as shown by 2S.

Volunteering with Riverbridge

Whole School

Our next Safeguarding Training session will take place at Park Avenue on Wednesday 8th November at 9am. This session is open to new volunteers and any parents that have started the volunteer process and are yet to attend the Safeguarding training. If you are able to attend please complete the following [Google Form found here](#) stating your availability. As always, we are very grateful to anyone that is able to give up their free time in order to make school trips and events possible.

Children in Need: Weds 15th November

Whole School

Children are invited to wear a spotty item of clothing to school on Wednesday 15th November with their usual school uniform in support of Children in Need. Look out for the QR code to make it easy for you to donate in a future newsletter.

Nasal Flu Immunisation

Reception – Year 6

A reminder that the cut-off date to give permission for your child to be given a nasal flu immunisation by the NHS school nurses is 31st October. Please note that as the school is only facilitating the administering of the nasal flu immunisation all questions regarding this should be directed to the Immunisation Team using the contact details on the letter which can be found on the school website.

PAB Field

Years 2 - 6

As the weather is changing there will be times when we need to change our plans for the use of the field at Park Avenue. There is a card system in place which, because of the good weather, has been on green the whole term!

Green - The field is open to everyone

Yellow - The field is open but you must change your shoes

Red - The field is closed

If children wish to use the field they will be required to have a pair of alternative shoes/wellies/trainers in school to change into at lunchtimes on occasions where the yellow card is displayed. Thank you for your support with this.

Our **volunteer team** needs **more members** to help sort, wash, iron and package uniform to sell and raise funds for the PTA.

We all take **what we can, when we can**, with **no deadline to return**.

Everyone is busy (with their own washing piles!) so it **does not need to be a huge commitment**; even just once a term would be a huge help.

Speak to the office to be included in the Whatsapp group.
