

ENGLISH

This half term, we will be reading '**Stanley's Stick**' by John Hegley and '**Bog Baby**' by Jeanne Willis.

Sentence writing: Using joining words 'and', 'but', 'so' and 'because'. Writing sentences in the past tense and for a range of purposes.

Vocabulary, Grammar and Punctuation: Use capital letters for names of people and places and for personal pronoun I. Use verbs to show what a character is doing. Understand and use a range of prefixes and suffixes.

Reading: Apply phonic knowledge and skills to decode words. Read phonetically decodable books to build fluency and understanding. Develop a pleasure in reading and listening to a range of stories.

MATHS

Place value

- Using number bonds to 10 to make number bonds to 20
- Partitioning numbers within 20 into tens and ones
- Adding and subtracting within 20, using a number line
- Comparing and ordering numbers within 20
- Comparing number sentences using the <, > and = symbols
- Creating addition and subtraction related number sentences

PHONICS

Using the scheme 'Little Wandle', we will be: recapping all previously learnt digraphs and trigraphs from **Phase 2, Phase 3** and **Phase 5**.

We will be learning the new **Phase 5** sounds:

y (happy), ea (head), wh (wheel), oe (toe), ou (shoulder),

y (fly), ow (snow), g (gem), ph (phone),

le (apple), al (metal), c (ice), ve (give),

o_e (some), o (mother), ou (young), se (cheese), ce (fence), ey (donkey)

SCIENCE

Seasonal Changes

- Observe and recall seasonal changes and patterns
- Observe and describe weather patterns in the UK associated with each season
- Identify common activities that are associated with each season

Year 1 Curriculum Map:

Spring 1

MUSIC

Exploring Sounds

- Understand that music is made up of high and low sounds, long and short sounds, and loud and quiet sounds.
- Find and keep a steady beat when listening to music.
- Clap four-beat rhythms, creating long and short sounds.

COMPUTING

Key Skills

- Locate letters and numbers on a keyboard
- Locate and understand the function of the keys: space bar, backspace, caps lock and shift tab
- Move and click the mouse using a track pad
- Log in to a Chromebook
- Scan QR codes with an iPad camera

GEOGRAPHY

Seasons and Weather

- Identify daily weather patterns in the UK
- Identify hot and cold countries of the world, in relation to the equator and the North and South poles.
- Recall the 4 seasons of the year and identify common seasonal changes

RE

Christianity: Why do Christians call God 'creator'?

- Understand that the bible is a special book for Christians
- Understand that the bible holds stories and messages.
- Retell 'The Creation Story' and 'The Good Samaritan'.
- Reflect about being thankful and linking this to the Harvest festival.

PE

Send and Return

- Increase hand-eye co-ordination
- Gain confidence to move towards a ball to return it
- Understand what a rally is and to successfully create a rally with a partner
- Sending a ball from different positions (seated/kneeling)

PSHE

Dreams and Goals

- Set simple goals and identify steps needed to achieve them
- Understand how to tackle a new challenge and how to stretch our learning
- Know when a goal has been achieved and the emotions that relate to this

ART

Painting and Textiles: Van Gogh

- Learn facts about Van Gogh and his life
- Discover how to mix colours with paint
- Control the types of marks we make with different media including pencils and paint.
- Collage with different materials including tissue paper.
- Understand what tinting is and how to tint a colour.
