<b>ESSENTIAL</b>	<b>Additional information</b>
Trousers	You must have full length trousers for skiing, tracksuits or anything suitable for sports are all good choices. Thin leggings are not warm enough as trousers alone but can be worn under another pair of trousers as an extra layer. Jeans are not very practical as they provide no warmth when wet & take a long time to dry.
T-shirts	Including at least one LONG-SLEEVED t-shirt for skiing
Socks	Several pairs including one long pair for skiing. Ankles must be covered for activities so low ankle trainers are not appropriate.
Gloves & warm hat	Gloves are essential for skiing. As we are outside most of the day these are essential and gloves are compulsory for skiing. It may not be the typical time of year we would wear winter layers but when outside in open spaces & in the evenings these are needed.
Jumpers	
Thermals	
Pyjamas/nightdress	
Trainers	Trainers are fine for all activities but having 2 pairs is recommended.
Waterproof coat & trousers	
Toiletries (in wash bag)	Toothbrush, soap, etc. No aerosol deodorant please, only roll-on as the fire alarms are extremely sensitive. No non-essential items such as make-up please. Lip balm if required.
Bath Towel	
Bin liner	For wet/dirty clothes
Water bottle	Children will be able to refill a water bottle between activities so please ensure they have a named bottle with them.
Day bag / small rucksack	To carry their water bottle, hat & gloves, jumper in during the day
Case/holdall	Suitable size to hold all of the above items & something with wheels is useful.
Pen or pencil
