

# RIVERBRIDGE REVIEW

Spring Term

Week 26

13<sup>th</sup> March 2026

The annual excitement of duck eggs and the subsequent arrival of ducklings has certainly made a big impression at Knowle Green Base this week. The children (and staff) have enjoyed welcoming the visitors and have learned a lot about these animals too. I have noticed a lot of careful handling and observing of the ducklings and children have had a lot to say. I hope that many of you have heard all about this too. Thank you to the PTA who fund this opportunity for the children.

At the same time as the ducklings, we have also invited parents and carers into the school in both Nursery and Reception this week. I have heard that these sessions were well attended and also really positive. I hope that they helped your understanding of the learning that takes place in these year groups and also gave some hints as to how best to support your children at home too.

This afternoon there was a parent workshop around maths for parents in Years 5 and 6. Maths can be a subject that many adults loved or hated at school and, when hearing any negativity, this can help put some children off too. I am sure that those who were present went away with some helpful advice around the best ways to help their children but also how to enthuse them too. Thank you to Mrs King for her efforts here.

**Well done to the children who took part in Battle of the Books**

**Nursery had so much fun welcoming their grown ups to Stay, Play & Learn this week**

**Children who are part of a uniformed organisation are able to wear their uniform on St Patrick's Day (Thurs 17<sup>th</sup> March)**

This week was also Science Week and I have seen some really interesting learning taking place. I am sure some of you have already heard about this from your children.

Earlier this week, I was forwarded a letter written by the secondary phase council of headteachers. This letter has been attached with this week's Review for you all to read. It concerns the use of mobile phones and the impact these are having on many young children. At Riverbridge we continue to remind all children of how to keep safe online and also their 'digital footprint' (what they do online). Please read this letter carefully.

Finally, I am aware of more roadworks in the local area that are having an impact on getting to school on time. If your journey is impacted, please allow extra time so that you are getting to school when the school gates open at **8.40am**. Thank you in advance.

## Boys Football

**Year 5 & 6**

A great last league match for the boys' A team last night. They played well together as a team but sadly, the match ended 2-1 to St Ignatius. The boys put up a good fight and showed some brilliant skills too.

## Boys Football

**Year 5 & 6**

The boys' B team played excellently on Friday against Meadhurst, ending in a 2-2 draw. Well done boys!

## Wraparound Care

**Reception – Year 6**

We would like to share with you our plans to adapt how you book after school and breakfast club which we hope will be beneficial for everyone.

Although all bookings for wraparound care should be paid for in advance, we have always been flexible and scopay has allowed payments to be made after the bookings have been made.

As we are sure you can understand, it takes considerable time to follow up on outstanding payments and liaising with families who might have overlooked settling their balance.

To bring us in line with the other Lumen Learning Trust schools from w/c 13th April (After the Easter holidays) you will need to pay for and book sessions in advance.

This means that you will need to have sufficient credit in your scopay account to be able to make those bookings.

If you usually pay by childcare voucher you will need to look at your payment dates to ensure you also have sufficient credit to be able to make future bookings.

This should also give families more flexibility as we regularly have sessions booked only to be cancelled the day before which can be a disadvantage to other families. The new process should help resolve these issues and to offer more availability.

There will be a transition period for the remainder of this term where you will have time to pay any outstanding ready for the summer term. Any bookings already in place up until 17th July will be kept but must be paid for up to one week in advance. Any bookings not paid for within this timeframe will unfortunately have to be cancelled.

Further details will be shared with you soon but in the meantime please do email [wraparoundclub.riverbridge@lumenlearningtrust.co.uk](mailto:wraparoundclub.riverbridge@lumenlearningtrust.co.uk) if you have any questions regarding this.

## RSE Presentations

**Year 3-6**

Following on from the information shared in last weeks' review regarding the Relationships & Sex Education presentations, we can now share with you, the dates these will be taking place:

Year 6 - Monday 20th April

Year 5 - Tuesday 21st April

Year 3 - Thursday 23rd April

Year 4 - Friday 24th April

They will be held in the Park Avenue Hall, from 2.45pm.

## Enrichment Club reminder

Year 4-6

A reminder that next week will be the last week of the Spring Term enrichment clubs.

Unless your children attend:

- Girls 4/5/6 Football
- Boys 5/6 Football
- Cricket club

These 3 clubs have been extended to Wednesday 25<sup>th</sup> March due to cancelling a previous session.

## Nursery Open Tour for Prospective Parents

Whole School

We are offering open tours for prospective parents to our exceptional nursery. It is a chance for you to see our extensive facilities and wonderful outside space during a 30-minute walk around with our Head of Early Years. Please see below the booking links for each tour, so you can book into your preferred one:

[Riverbridge Primary Nursery Open Tour Mon 16th March](#)

[Riverbridge Primary Nursery Open Tour Mon 23rd March](#)

[Riverbridge Primary Nursery Open Tour Mon 13th April](#)

[Riverbridge Primary Nursery Open Tour Mon 20th April](#)

If you have any queries, please email the school office.

## Donations

Year 1

As the warmer weather is finally approaching, Year 1 are excited to begin re-opening their outdoor learning area.

We would be very grateful for any of the following donations, if possible:

- Dressing-up costumes
- Pots, pans, spoons (anything suitable for a mud kitchen)
- Books for our reading corner
- Clean recycling items (milk/juice cartons, egg boxes and butter tubs are favourites!)
- Role play items such as tills, play money, aprons, and baskets
- Anything else you feel our Year 1 children would benefit from

These resources allow the children to explore real-life materials while developing their imagination and creativity through play. Thank you very much for your continued support.

## Art

Year 2

Year 2 would like to thank Jed's dad who came in this week to teach the children all about how to paint self-portraits. He showed them some great techniques and the children loved making creative interpretations of themselves. The children loved looking at some of Mr Kingston's art too!

Stay, Play & Learn

Nursery

The nursery children had great fun welcoming their grown ups into the nursery to experience a morning with the ducklings, doing live drawings of the ducklings and getting to have a cuddle with them.

### Battle of the Books

Four children in Year 2 had a fantastic time at the Battle of the Books competition this week. They made a fantastic hat to show in the parade based on the book Millie's Marvellous Hat. They wrote a character description and answered quiz questions about six books they have read.

### Maths

The children in Year 1 have been consolidating their knowledge of counting in 2s through fun and engaging carousel activities.

### Year 1

### National Young Carers Day

Wednesday March 11th was National Young Carers Day. To mark the day the young carers group from Riverbridge, working together with the Eclipse Leisure Centre, spent the afternoon enjoying themselves on the clip and climb activities.

The young carers group each month is hosted by the Eclipse Leisure Centre offering the children activities and experiences that they may not normally be able to access.

If your child is a young carer within your home and would benefit from young carer support, please contact Jane Hughes on or Lyn Lenton-Clark via the school office e-mail.

### Don't miss this year's PTA Easter Trail!

Our Easter Trail is back next Sunday, 22nd March, starting at Park Avenue Base.

Come along with the whole family to follow the trail around the local area and win a prize.

You can join the trail at any time between 1pm and 2pm. Just come and collect your map from Park Avenue base, then find the clues, collect treats and crack the code. At the end you'll return to Park Avenue to claim your reward!

Tickets are available for £3 per child at [www.pta-events.co.uk/riverbridge](http://www.pta-events.co.uk/riverbridge) until 4pm on Friday 20th March.

The event is open to all friends and family. You only need to buy tickets for children but all children must be accompanied by an adult.

### **Order Leavers Hoodies by 3rd April**

Year 6 Leavers Hoodies are still on sale at a discounted rate of £12 each, with the PTA subsidising the rest of the cost (£6).

You can order hoodies from: <https://shop.teamhoodies.co.uk/riverbridgeprimary26>

If you want to buy additional hoodies in different colours, you can do so for the full price of £18. The online shop will close on Friday 3rd April at 6pm.

### **Volunteers needed: Easter Trail and Staines 10K**

We're looking for willing volunteers to help out on our Easter Trail next week, manning the stations around the route for set times. Volunteers can take their child on the trail free of charge! If you can help, please sign up at: [volunteersignup.org/JY9KM](http://volunteersignup.org/JY9KM)

We're also looking for volunteers to be marshalls at this year's Staines 10K on Sunday 10th May, either at Race HQ (Knowle Green) or around the course. It's a great and fun way to enjoy the day!

The more volunteers we can get from our school, the bigger the donation we will receive from Staines 10K funds.

If you would like to be a marshall, please let us know by signing up here: [volunteersignup.org/QRHB7](http://volunteersignup.org/QRHB7)

## 8 Great Ways to Being Our Best

## Whole School

This year's assemblies have focused on people who have demonstrated any of the school's 8 Great Ways to Being Our Best.

We will find out about their life, how they overcame obstacles and how they demonstrated determination to succeed.

### Laura Dekker Sailor

### Active Connector Ambitious

In Monday's assemblies, we were talking about determination, courage and following our dreams. The inspirational example we found out about was a young sailor called Laura Dekker.

Born in New Zealand and raised in Netherlands, Laura grew up around boats and the sea. From a young age she loved sailing and dreamed of travelling around the world. At just 14 years old, she announced that she wanted to sail solo around the globe — an idea that surprised many people!

After careful preparation, Laura set off on her journey in 2010. Over the course of more than a year, she sailed thousands of miles across oceans, visiting places such as Australia and South Africa. In 2012 she completed her incredible adventure, becoming the youngest person ever to sail around the world alone.

Laura's journey shows us that big dreams can start when we are young. With practice, resilience and support from others, amazing things are possible. Her story encourages us all

to believe in ourselves, try new challenges, and never give up.

Laura's determination was very evident:

*'I follow my own head and if I am determined to do something then I make sure that I make it happen!'*

Have a great weekend.

# Surrey Secondary Phase Council

Co-Chairs Barbara Mayaire and Steve Smith

March 2026

Dear Families,

As your child approaches the transition from primary to secondary school, we know this is an important milestone, for them and for you. We want that transition to be safe, positive and enriching, supporting both wellbeing and learning.

That is why, as the Surrey Secondary Phase Council, writing on behalf of all 58 secondary state school Headteachers in Surrey, we are urging families to delay purchasing a smartphone for your child for as long as possible. The Smartphone Free Childhood movement recommends waiting until at least age 14.

## Why we must intervene

There is now strong evidence that smartphones can negatively affect young people's wellbeing, learning and relationships. Key concerns include:

- **Less real-world social interaction** and more time spent online
- **Greater exposure to harmful content**, often unintentionally
- **Increased risk of anxiety and low mood**, particularly with earlier smartphone use
- **Addiction and distraction**, affecting sleep, concentration and behaviour

## The Moral Argument

Children are not allowed to smoke or drink alcohol, two substances with potentially significant impact to their health. However currently we give children access to smartphones where they have access to harmful content including extreme pornography, cyberbullying, harmful chat messages, extremist ideology and toxic communications. We have a responsibility as adults to protect our young people from this.

## What Surrey secondary schools are seeing

Across Surrey secondary schools, we are increasingly seeing the impact of smartphones through issues that begin outside school but quickly spill into school life, such as friendship conflicts escalating through group chats, distress linked to social media and messaging platforms, and pupils being drawn into online interactions late into the night. These issues can affect learning, behaviour and wellbeing, and create safeguarding concerns for families and schools. Schools see little evidence of smartphone ownership and use adding any true 'value' to a child's life. Schools do see a significant number of occasions where smartphone use has fractured a child or teenagers experience of growing up. Additionally, increasing numbers of parents of secondary age children are regretting allowing smartphone ownership and see it as having a high level of impact on their family life.

### **School policies and access to learning**

Every Surrey secondary school enforces strict mobile phone policies, many operate a “no phones seen at all” rule, to protect learning and wellbeing. Importantly, no child will be disadvantaged by not having a smartphone. Homework and communication can be accessed via a home computer or tablet, and schools provide support where needed.

### **A practical alternative**

We understand parents’ concerns about safety and communication, especially when children begin travelling independently. A basic “brick phone”—calls and texts only, with no internet or apps—offers peace of mind without the risks.

### **Our united appeal to Surrey families**

We encourage families to:

- Delay smartphone ownership until at least age 14
- Consider a brick phone for essential contact
- Join other parents by signing the Smartphone Free Childhood Parent Pact [www.smartphonefreechildhood.co.uk](http://www.smartphonefreechildhood.co.uk)

We recognise that peer pressure is challenging to manage and saying ‘no’ to your child can be difficult to sustain. However, together we can protect children’s wellbeing and preserve what matters most: friendships, outdoor play, healthy sleep and uninterrupted learning.

Thank you for your support and cooperation.

Yours sincerely,

Steve Smith and Barbara Mayaire
