## Parental Satisfaction Questionnaire

### October 2018

As part of the on-going development of the school we are keen to gather your views on what you feel we are doing well and to hear of any areas that you feel we could improve.

We appreciate the time that you will put into this questionnaire as your opinions really do matter to us.

As as school we rely upon the strong and purposeful partnerships between home and school and we will use the feedback this questionnaire gives us to help inform the school's decision making process.

All questionnaires will be treated with anonymity. Thank you in advance for your support
