

## Year Three Riverbridge Reading Race

Welcome to the Riverbridge reading challenge for the summer!

We challenge you to see how many of these books you can read or have read to you over the summer. Every book you read is worth 5 points! How many points will you earn?

If you cannot find these books, try to find a book by the same author or illustrator to read or about a similar topic! This can count towards your points total! Good luck and happy reading!
