

Year 6

Junior Citizen Trip: Wednesday 12th and Thursday 13th September

This week, Year 6 were ambassadors for Riverbridge at Walton Fire Station. We were taught valuable life skills to help us get ready for secondary school and being responsible for ourselves.

Every child had the chance to meet employers from Spelthorne Council, the police, the fire brigade, the ambulance service, RNLi and South Western Rail.

We learnt a great deal about staying safe at home and outside of school. Did you know that British trains run at 100 miles per hour and their tracks have 750 volts running through them? Or, did you know that it would take just 3 seconds for your lungs to fill with carbon dioxide in a fire? These are just some of the facts we were given on our exciting day.

We were taught some key rules of water safety in the UK.

It is important to float if you were in trouble in the water!

Year 6 Key Dates

Tuesday 18th September – Heathrow Coding Challenge (Riverbridge Y6 Block 1.00-3.00pm)

Thursday 11th October – Bristol Residential Information evening (Park Avenue Base Hall 6.30-7.15pm)

Wednesday 17th October – 1940s Experience Trip (during school time)

Wednesday 31st October – Final date to apply for secondary school

Monday 4th – Friday 8th March – Year 6 Residential to Bristol

May 2018 – End of Key Stage Two Assessments

Volunteers helped us to understand what to do if there were to be a fire at home.

We sorted recycling and learnt that every two hours the UK produces enough rubbish to fill the Royal Albert Hall!
