

Communication and Language

- I will be learning to talk about stories I have read.
- I will be imagining and recreating roles from stories I have read.
- I will be able to say what happened in the beginning, middle and end of the story.
- I will be talking about stories I like/don't like and saying why I feel this way.

Year R

Spring 1

This half term our topic is...

'Out of this world.'

Personal Social and Emotional Development

- I will be working as part of a group and as part of a class.
- I will be explaining my own knowledge and understanding.
- I will be asking appropriate questions.
- I will be describing myself in positive terms and talking about my abilities.
- I will be learning that my behaviour affects other people.

Understanding the World

- I will be learning about different environments
- I will be looking at differences between where we live and space/underwater/desert/ volcanoes etc.
- I will be looking at why living things live in their environment. E.g why can't we live underwater?

Literacy

- I will be learning to segment and blend words independently.
- I will be reading a range of fiction books and non-fiction books.
- I will be learning different sounds that digraphs make (phonics sessions).
- I will be learning to write words of more than one syllable.
- I will be learning to write independently by using by phoneme fingers to help.

Expressive Arts and Design

- I will be drawing pictures of different environments.
- I will be drawing pictures from the stories I have read.
- I will be mixing paint to make different colours.
- I will be learning new songs to help me in my learning.
- I will be using a range of materials to make story boxes, pictures, puppets and models.

Physical Development

- I will be learning about why we get hot and out of breath after exercise.
- I will be moving in time with the music.
- I will be learning to control a ball.
- I will be learning the skills needed to play tennis, football and hockey.
- I will be holding a pencil properly.
- I will be using scissors to cut carefully.

Maths

- I will be learning to measure using standard and non-standard units of measure.
- I will be learning to share and half objects and numbers.
- I will be learning to measure short amounts of time.
- I will be learning to count in 10's.
- I will be learning to order mixed up numbers.
- I will be learning to find missing numbers.
- I will be learning to add and take away numbers.

Home learning

-Phonics- how many sounds/words can you write and read?

-Maths- see newsletter for ideas to try at home.

- Can you make a picture of a planet and find some information out about it?
