

Our Home School Link Workers have been looking at ways to support our parent community during this challenging time and we would like to introduce our Virtual Parent Sessions.

Each week one of our schools will take a turn to discuss a topic using Google Meet, we would love you to join us and this support is open to everyone, from any of our schools. You can chose to join the week you are interested in, or all 5 of them.

Please follow this Google Meet link to access one or all of the sessions (you can even keep your camera and microphone off) :
