

Year 3 Curriculum Map: Spring 1

ENGLISH

Firebird by Pirotta Saviour

- Use present perfect forms of a verb
- Use inverted commas to punctuate direct speech
- Evaluate and edit the effectiveness of our own work
- Participate in discussions about a text

MATHS

Multiplication and Division

- Calculate multiplication and division problems mentally
- Use known facts to solve other multiplication problems
- Use the grid method to solve 2-digit by 1-digit multiplication problems

Measurement

- Add and subtract amounts of money

SCIENCE

Forces and Magnets

- Recognise and compare how things move on different surfaces
- Explain that magnets have two poles
- Investigate magnetic poles
- Explain how magnetic forces work

GEOGRAPHY

Mapwork Skills

- Understand and use directional language
- Use simple maps and recognise map features
- Recognise and create landmarks

How can we use maps to plan improvements to our environment?

We will be exploring the spaces around us using local maps to identify how we can make improvements to different spaces, using features of human and physical geography to support our ideas.

MUSIC

Primary Robins Music Lessons

- Use our voices with increasing accuracy, fluency, control and expression
- Appreciate and understand a wide range of music drawn from different traditions

COMPUTING

Coding

- Design and write a code for a program
- Write a program that stimulates a physical system
- Learn to debug a simple program

FRENCH

Mon Corps

- Identifying and naming body parts
- Colours
- Days of the week

ART

Etching and Print Making

- Explore printing with different objects and textures
- Make my own designs for etching
- Evaluate our own and others' work

PE

Dance and Invasion Games (Hockey)

- Respond to a stimuli to create and change movements
- Develop communication skills within a game
- Stick and ball control
- Passing and shooting

PSHCE

Dreams and Goals

- Recognise how to overcome challenges and be successful
- Break goals down into achievable steps
- Learn how to motivate others
- Learn how to evaluate and share our success

RE

How did Jesus change lives?

- Make links between what Jesus did and what Christians believe about him
- Identify the Christian, 'Golden Rule'
- Discuss and identify the 'Golden Rule' for other religions
